

GRASSO VERDE

Hoof hydrating and nutritive grease

- The perfect product to obtain a hydrating and natural antibacterial effect at the same time.
- With beeswax.

DESCRIPTION

Thanks to its extracts from plants and officinal herbs, Grasso Verde is a grease that provides a healing effect to the hoof walls. It contains a natural antibacterial agent (the bay laurel essential oil), which inhibits the proliferation of bacteria that can settle in the nail holes of previous shoeing.

COMPOSITION

Components: Pork lard, previously heated at 130°, Whole soy oil, Beeswax, Soy lecithin, Bay laurel essential oil (*Laurus nobilis*), Paraffin, Thyme essential oil (*Thymus vulgaris*).

ISTRUCTIONS FOR USE

Every day, after a careful cleaning of the hoof and the coronet band, apply Grasso Verde with a brush.

SIZE

- 1 kg (bucket)
- 2.5 kg (bucket)
