

## PREQUALM

An aid for anxiety

- It is incredibly effective in improving sporthorses' concentration during competitions.
- Prequalm is supplemented with magnesium citrates, which are completely water-soluble and ensure high magnesium bioavailability.
- Prequalm is the perfect product for those wishing to keep their horses calm.

### DESCRIPTION

Prequalm is the paste syringe conceived to increase anxious horses' serenity and self-confidence during competitions or when they are under stress. Prequalm is formulated on the basis of the most recent phytotherapy discoveries and exploits all the beneficial effects of tryptophan, feverfew and magnesium.
